

Dear Friends,

We want to start by telling you a big THANK YOU for bringing your students to camp this year! We know that it takes time and work for you to organize and bring your students, but we also know that God will bless you for your sacrifice! We are excited to give you the information for Fall Retreat. Fall Retreat is an exciting weekend when we get back together with our camp buddies and have an amazing service, then follow it up with a bon-fire, hayrides, and delicious food. There is no pre-registration for this event, so bring as many kids as you can, because it is going to be an unforgettable time to connect with your group! If you have never brought a group to this event, we challenge you to do it this year!! We can't wait to see you and your students here! We have included more information in this packet, if you have any other questions feel free to call us at (573) 775-5566.

- Cost: \$25 Fall Retreat
- Please text Bekah (573-823-6212) with a picture of your Group Attendee's List as soon as it's finalized.
